PUBLIC NOTIFICATION

Pursuant to Section 23 of the Electricity Act of Bhutan 2001, the Bhutan Electricity Authority (BEA) would like to notify the general public that BEA has received an application for issuance of Construction and Operation Licence from the Dagachhu Hydro Power Corporation Limited (DHPC) for the construction of 114 Megawatt run-of-the-river hydropower plant in Dagana Dzongkhag. The Project is located at the left side of the Dagachhu between 10.5 and 20.5 kilometres upstream of the confluence of Dagachhu and Sankosh (Punatsangchhu). The Project area covers the gewogs of Kana, Khebisa, Goshi, Tsendagang and Trashiding along the banks of Dagachhu.

Through this notification, BEA informs the general public that DHPC application is available for inspection, within the limits of commercial confidentiality, at BEA Secretariat during office hours till July 15, 2009.

Any parties or general public and local authorities affected by the Project, who objects to granting of the Licence, whether on personal, environmental or other grounds, may lodge an objection with BEA within thirty days from the date of notice.
